

The Middletown Community Foundation 2010 Scholarship Program

The Middletown Community Foundation will award scholarships to high school seniors residing in Middletown Township to be used for higher education. The scholarships must be used to pay for tuition and fees to enroll in or attend an educational institution (college, university or other accredited institution of higher education), or to purchase books, supplies and equipment that are required of all students for their course work. The students receiving the highest-ranking scores based on the criteria listed below will be awarded the "Detective Christopher Jones Memorial Scholarship", the "Becky Marseglia Memorial Scholarship" and in honor their commitment to community service. There will be other memorial scholarships named at a later date. From 2002 to 2009, the MCF has awarded \$76,500 in scholarships!

To qualify, students must meet all of the following criteria:

1. Be a resident of Middletown Township.
2. Be enrolled in an accredited high school.
3. Be accepted as a full time student in a college or university for the fall or summer semester of 2010.
4. Be able to document community or public service involvement.
5. Write an essay of 250 to 500 words detailing your public service to date, why you chose this type of public service, and how this public service has influenced you.
6. Submit the attached application by May 1, 2010.

The Middletown Community Foundation will evaluate each application without regard to race, religion or creed. Relatives of board members of the Middletown Community Foundation are not eligible. All essays must be double-spaced and typed using 12 point Times Roman, Courier or Arial font.

For an application to be considered, it must be submitted (postmarked) by May 1, 2010 to:
